PennCares In-Home Support

Some extra help can make the difference between a life of daily struggles for you or your loved one – or daily routines maintained with dignity, independence and peace of mind.

It may mean assistance with chores or self-care. It may mean learning and using an array of problem-solving skills for self-sufficiency at home and beyond.

We can help. PennCares attentive caregivers and habilitation professionals are committed to delivering capable, respectful and responsive assistance. We work with you on a flexible schedule that can be easily adjusted to address new or changing care needs and preferences.

Our compassionate staff are thoroughly screened, extensively trained, and reliable. If you have a loved one who needs more help than you're able to provide... We're here for you.
